

Job Description – **Graphic Design Intern – FACTS (Agents)**

Internship

Amsterdam, the Netherlands

32+ hours per week

Hybrid workplace

About FACTS

FACTS is a young and dynamic football data organization dedicated to supporting clubs, agents, and players with data-based insights. We are committed to providing high-end reports with transfer analysis, valuable event data, the development of a player, and his potential in comparison to his peers. In recent times, we have assisted in the transfers of Steven Bergwijn, Arthur Melo, Charles de Kaetelaere, Simon Kjaer, Lucas Digne, and many others. A testament to our expansive network, FACTS maintains collaborative connections with over 40 esteemed clubs, 300 agents representing players, and 120 prominent individuals from the world of football.

Job Description

We are looking for a skilled Graphic Designer to join our creative team. The ideal candidate will be responsible for creating visual content that aligns with our brand identity and (online) marketing initiatives. As a Graphic Designer at FACTS, you will have the opportunity to bring your design expertise to the football industry and help us convey our message to our target audience effectively.

Tasks and Responsibilities:

- Creating templates/designs for (online) marketing campaigns
- Creating content for our social media channels

Requirements:

- Passionate about football
- Proficiency in design software; Adobe Creative Cloud, mainly Photoshop and/or Illustrator
- Strong portfolio to showcase your design skills and creativity
- Ability to work independently and as part of a team

- Attention to detail and a strong commitment to quality
- Knowledge of design principles is a plus

What we offer

- A football-related environment to develop your skills
- Remote work
- Team events
- Flexible working hours
- Room for your ideas and contributions
